Key: *LC = iVoterGuide (Leans Conservative); RPM = Republican Party of Minnesota; CCR = Clay County Republicans; CCG = Carver County GOP; C = iVoterGuide (Conservative). (Republican nominee) = Republican on the ballot, no published endorsement found. NP = nonpartisan race; "Listed by" = a Republican Party's listing, not a nomination. Recommendations are the listed groups', not this guide's; a blank race means no published recommendation was found, not that none exists.*
